

Why choose Booker's integrated credit card processing?

Benefits for your business:

Increase revenue with online gift certificates and eCommerce

With integrated credit card processing, you'll be able to increase your revenue by selling gift certificates, memberships, and products online 24/7.

Protect your revenue with cancellation and no-show fees

Your time is valuable. Be sure to protect your business with the ability to charge fees to clients who don't adhere to your cancellation policy.

Decrease costs with industry leading rates

With rates starting at 0.99% + \$0.25 per transaction, our credit card processing will help you decrease operating costs and increase your revenue.

We're always here to help!

Receive free round-the-clock support from our partners and Booker's customer support team.
